

Vacancy for School Governors

Make a positive contribution to the community

Being a Governor is a rewarding way of making a voluntary contribution to the lives of local young people. The Potton Federation (comprising Potton Lower and Potton Middle Schools) is looking for a new Governor to join our team.

We would be delighted to hear from anyone who has:

- An interest in the performance of the schools
- An open and enquiring mind and the ability to look at issues objectively
- The confidence to ask questions and join in debate
- Some time to spare (4 full meetings per year plus committee meetings)

We are particularly keen to hear from anyone with:

- An understanding of SEND and disability awareness
- Knowledge/experience of building/facilities/site management
- HR experience – particularly in an educational environment

Being a Governor is enjoyable, stimulating and rewarding and you do not have to be the parent of a child at either school. All Governors must complete safeguarding checks.
